AMENDMENT

Technology Center 2100

This Amendment is filed in response to the Office Action dated December 3, 2002.

There are 18 claims pending in the application. All claims stand rejected by the subject Office Action.

IN THE CLAIMS:

Please amend claims 1, 2, 5, 10 and 11 to read as follows, a full set of pending claims being provided for review:

- Sub
017
1. (Thrice Amended) A document formatting tool comprising:
- means for intercepting data which is being sent to a printer from a print spool;
 - means for utilizing a specified portion of such intercepted data as a key to access a database for obtaining other information relevant to such data; and
 - means for printing such data in a format different from that in which it was received from said print spool, such difference being based upon said other
